

Year 11 Support Sessions 2020

Please note, in line with Covid-19 safety measures support sessions held on school site will require staff and pupils to follow a seating plan and register pupils attendance.

New to this year we are including TEAMS sessions in some departments which will allow a greater number of pupils to access the support together. These will be held approximately 30mins after the end of the school day giving pupils time to get home. TEAMS support is held in line with the typical code of conduct for pupils and is by invitation. Pupils will receive an email notification informing them when sessions are being held which apply to their studies.

	Week A				
	MONDAY	TUESDAY	WEDNESDAY	THURSDAY	FRIDAY
