

LITERACY NEWS @

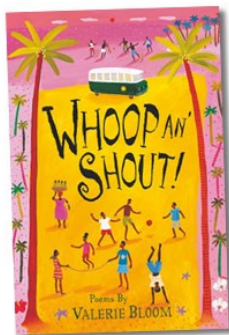

Broughton Hall Catholic High School

Autumn Edition 2016

WHAT'S BEEN HAPPENING?

Our mobile library has been a huge success, with a fantastic grand opening there is now a real buzz in all year groups wanting to read the newest books on the shelves. Thank you to all of the Y12 pupils who help to run this each day.

A selected group of fifteen Year 7 pupils attended **The Children's Book Show** at The Liverpool Philharmonic in October and for every pupil who went received a **FREE** book—it was a great opportunity to meet the author Valerie Bloom.

PARENT VOLUNTEERS NEEDED!

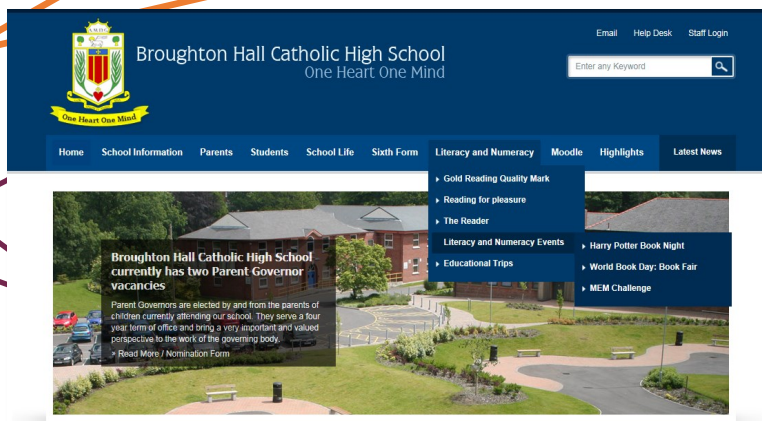

We have been searching for parent volunteer's to come in and read with Year 9 pupils, we have a few on board but if you would like to help too, please email the school, we would love to hear from you!

Keep looking on our **school website** for all the fun things we have been getting up to at Broughton—all our literacy events are posted and photographs and stories uploaded! You will also find our **Gold Reading Quality Kitemark** we were awarded as a school and how we are continuing to maintain our status.

Book club is back up and running on Wednesday lunch times, this year being run by Year 9 pupils who are very keen to keep Broughton reading for pleasure! Well done girls!
