Ms Clarke is still keen for the PTA to gain charity status and is raising this again with Business Manager. This would mean we can fund match our biggest events.

Ms Clarke has managed to get a licence for school to assist us when we are hosting events to raise funds – this was confirmed at Governors' meeting on 11th May 2016

Ms Clarke & Mrs Eves gave formal thanks to the PTA for all they do at Governors for our time and commitment. I've agreed to do an annual summary for next governors' meeting of funds raised and events over the year. - **Bonnie**

Fundraising ideas

Mrs Hayward wants to know if there is any support for organising a Big raffle next year to concentrate efforts into one big project with proper printed raffle tickets sent home with every pupil. We've said as long as there is staff support we would be willing to investigate this

Mrs Hayward has been contacted by Lauren Highton from the Clinique counter at boots wanting to know if we would be interested in holding a Clinique party to raise funds – do we think this would work. Comments to Mrs Hayward to bring back to next meeting please - **ALL**
