'I am happy with the school'

'Was really impressed with the teachers we spoke to'

Parental Comments from the evening (Areas for Improvement)

'School promotes good attendance but really the reward comes from the parent in the cost so maybe to reward the school should actually fund the rewards therefore giving a reward'
(Thank you for your feedback, due to numbers attending the reward trip it would not be feasible for us to fund the trip in its entirety, however we would like to let you know that we try and get the best deal possible for reward trips to keep the cost down)

'Would welcome more homework/online activities/support suggestions in the core subjects'
(We have a homework timetable on our website for parents to view, students also have access to My Maths, as a leadership team we will look into providing parents/carers with guidance on how they can support their daughter's on her educational journey)

'Since the start of Year 8 my child has stated she doesn't like school because too much work/homework is given out and there is not enough time allowed to revise for tests that are set'

(We have a homework timetable on our website for parents to view to help support girls make progress in their subjects. A revision timetable will be given out prior to end of year assessments)

'Don't often see her Maths or English books at home to check marking/teacher feedback.

(Students are given their books to complete work and revise. If parents/carers want to see their daughter's books please ring up the school and speak to a member of the Year 8 team to arrange)

'An issue was raised with regards a student's set placement'

(This issue was referred to the Deputy Head teacher and followed up)

There were questions asked about up and coming electives. 2 briefings were held to answer any immediate questions.

Electives evening for Year 8 will be held on **Monday 23rd April 2018 7.00-9.00pm.**
