Dear Parent/Guardian

In preparation for the beginning of year 11, our current year 10 pupils will experience a ‘mock results day’ on Monday 17.7.17.

Year 10 pupils will be expected to attend school to collect their end of year reports from the school canteen between 8.30am and 10.00am (they do not need to be in school uniform). These reports contain their most recent assessment data. Pupils will then be allowed to return home and reflect upon these results and begin their consolidation of work for year 10, and most importantly start their preparation for the challenges of year 11.

From 17-19th July pupils must plan their revision timetable, complete their log in to GCSE pod and make use of the time available to them at home to research possible choices for career options.

The school website has a ‘Preparation for year 11’ PowerPoint available which your daughter should access, and there are also career links she may find useful on our website under the ‘school information’ tab.

Over the 3 days some parents and pupils will be invited in to school to discuss progress and this will be by invitation of the year 10 team.

If you would like to discuss your daughters report please do not hesitate to contact the year team.

Thank you in advance for your support, and I wish the girls a restful summer break so they are ready for the challenges of year 11.

Yours Sincerely

Miss S Connolly
Director of Learning Year 10 and 11

I can confirm that I have received the letter regarding end of term arrangements for year 10 and I give permission for my daughter to take part as described.
