## **Year 11 Parental Questionnaire 2018**

In response to comments made we would like to thank parents for their on-going support of school.

We have recently introduced 'class charts' as a tool both staff and parents can use to record and monitor behaviour in class. Parents can download the 'class charts' app for free onto their mobile phones or tablets and see daily how their children are behaving. The app also shows how the vast majority of our pupils are being recognised and rewarded for their good behaviours. There is a guide to downloading the free app on our school website, we would appreciate all parents accessing the app if possible. If there is any cause for concern with regard to your daughter's progress or behaviour in particular lessons please contact the year 11 team to discuss these further.
