National Apprenticeship Week
3 to 7 February 2020

FOR THE ATTENTION OF Y10 AND Y12 PARENTS/CARERS

Barclays Apprentice Parent Insight Sessions - Invitation to Parents/Carers - 7th February (National Apprenticeship Week)

Barclays would like to invite parents to their 'virtual' insight events taking place during National Apprenticeship Week.

These events are specifically for parents to help them discover more about Apprenticeship opportunities at Barclays and to share this with their children. Parents will have the opportunity to hear from Barclay's business, Apprentices/Apprentice-Parents and their Early Careers teams. They will also walk through the application and assessment process and the support available through their LifeSkills programme, with the opportunity for Q&A at the end.

Barclays are keen to engage with parents of:

- Year 10 Parents, interested in Foundation Apprentice opportunities for their children once they complete their Year 11 GCSE's (or equivalent)
- Year 12 Parents, interested in Higher Apprentice opportunities for their children once they complete their Year 13 A-Level's (or equivalent)
- Any parents interested in Barclays Apprenticeships overall

Session Times

Parents can take part individually using simple pc technology which Barclays delivery partner, Channel Talent, will send prior to each session. The available session times are:
