- **Unilever apprenticeship insight evening 8 March 2017**

As our last event was so popular, we have decided to have another Apprenticeships insight evening at our Port Sunlight site on Wednesday 8 March 4pm- 6pm.

Our evening is aimed at those in Years 11-13, and is an opportunity for those interested to find out more about Unilever's apprenticeships including Supply Chain, Research & Development and Business & Technology.

There will be an opportunity to ask current apprentices and managers any questions throughout. Refreshments will be provided.

Please bear in mind there is a limited amount of spaces due to health and safety- registration is essential to gain entry to the event, register your interest here:

- **Apprenticeships - Airbus Group**

In the UK, apprenticeships are available at Airbus, Airbus Helicopters and Airbus Defence and Space. All of their programmes last 3 years or 5 years and combine college or university studies with practical training.

Together these programmes provide a clear route for progression and applicants can choose between different entry options according to their level of educational achievement and abilities.

All apprenticeships including Craft, Higher and Sponsored Degree Programmes will be live from 17 October 2016.
