Half Term

Numeracy Challenge

Put the remaining numbers from 0 to 15 in the 16 small squares. The sum of the four numbers in each row, column and two diagonals must be 30.

15						12
-----+-----+-----+-----						
		10		9		
-----+-----+-----+-----						
						11
-----+-----+-----+-----						
3						0
