'You can tell that the Education and Well-being of pupils is of the upmost concern of all staff. Morale between staff and pupils is a two way thing, this has made a huge difference to my daughter's approach to school and attitude to learning – Thank you'

'Happy with response of teachers comments and hope my daughter makes progress in subjects until the end of the year'

'Very pleased. Just needs to sustain her effort and revise more'

### **Concerns:**

'Disappointed with welcome booklet highlighting 'exceeding progress', I was told by several teachers my daughter couldn't achieve a higher grade – therefore unachievable'

(Thank you for your feedback. Girls who have made better than expected progress this year, relative to their starting point in year 7, are eligible for this award. The criteria for 'progress' awards will be published on the school website, together with arrangements for parents' evenings)

'Could not find teachers'

'Some teachers were not available'

(Thank you for your feedback. Parents will be informed on arrival if any teachers are not available and an alternative time to meet will be arranged, the seating plan of staff will be made more visible)

'The facility to buy a cup of tea would have been nice' (This is a good idea. Thank you. We will look into providing a refreshment facility during parent evenings in the future)
