## Road Safety

Roads can become slipperier in the winter due to weather. We have to be extra careful so no accidents happen.

If you use a bike, make sure it has lights on it.

## hands, face, space

Even though it is Christmas, you still need to wear a mask!

be weary and careful of your surroundings.

take care of people, family, friends and elderly.

be careful of the amount of alcohol you drink.

~~KEEPING~~

~~SAFE~~

~~OVER~~

~~CHRISTMAS~~

road safety  
don't drink and drive

follow government  
guide lines and  
rules.

still maintain your  
sanitizer, washing  
hands, wearing a  
mask and not  
mixing with more people  
than told too.

# CHRISTMAS SAFETY

- With covid 19, try to keep your distance, especially with shops ext, because places are going to be busy and there is more chance of catching the virus.

- Since the weather is getting colder, ~~the~~ roads get slippery. It is important to take your time and be extra careful when traveling.

- Make sure to shop with a sensible adult / friend as children may sometimes be taken advantage of and that is wrong.

- If you are walking home from school alone, use roads that are well lit to stay in sight in the dark.

- Make sure that if your parents / guardians are having a drink for christmas, they are sensible and don't drink drive.

- Be careful and make sure to always travel with some one and know an emergency contact off by heart just in case you need it.

finally, make sure to...

# HAVE FUN!
