

Dear Parents of students in Year 11,

Pupils are understandably keen to know when they “leave school”. The Department for Education has set out expectations that schools should continue to provide education and support for all Year 11 students after May half term, through to their final day of school which will be Friday 25th June 2021. The provision between May half term and June 25th will be a combination of face-to-face group work in school and remote education provided through Oak National Academy and other online providers chosen by our staff to best suit our pupils learning. Some of the tasks set will support transition to Sixth Form or other education providers, and pastoral support delivered through PSHE activities.

Those sessions highlighted in green are provided by **Creating Careers: Moving On** which offer live, interactive events to support students with post-assessment transitions. In order to access Creating Careers online sessions there is only one Zoom link needed across the two weeks and no registration is required, pupils should attend any of these they feel could benefit their interests moving forward:

<https://us02web.zoom.us/j/83336282941?pwd=NUVjQ2oveEtnalh3NHliMkJORmxnUT09>

**Meeting ID:** 833 3628 2941

**Passcode:** 812568

Timetabled topic catch up sessions are to be held in school in the normal teaching rooms which can be found on the edulink app and pupils should arrive in full school uniform. These sessions will be aimed at providing support in transition to Key Stage 5, and will allow teachers to ‘catch up’ on any missed content they feel is required for further study in their subject area. Online sessions will be set via classcharts and will contribute to pupil’s preparation for further study regardless of the level they will access moving forward in September 2021. The final week of provision type will be dependent upon the departments need for interventions in preparation for Key Stage 5. Further details of the Sixth Form taster sessions will be distributed nearer to the time by the Broughton Hall Sixth Form team.

As you can see we have planned some activities for this Friday 28<sup>th</sup> May which will allow us to celebrate and congratulate our pupils on their time so far at Broughton Hall. If a pupil would like to bring **a spare shirt for their friends to sign or memory book for well wishes** on Friday there will be social time planned for the pupils to see their peers and teachers. The typical behavioural standards will be in place for year 11, and will continue throughout their time with us and until the 25<sup>th</sup> June. We know and are grateful that parents will continue to support school in maintaining the expected standards both in school and the local community when pupils have free time for home study.

We wish our pupils well for the coming months, and congratulate them on their continued efforts throughout this challenging time.

If you require any further information or support please do not hesitate to contact the year team,

Yours Sincerely  
Miss S Connolly  
Assistant Head Teacher  
Broughton Hall Catholic High School

# YEAR 11 Key Stage 5 Transition Support Summer 2021
