Remembrance and our Light of Hope

On Monday 11 November our Morning prayer & Liturgy focussed on Remembrance. We discussed Service, Determination and Bravery at the D Day landings as it is the 80th anniversary of the operation and we followed the story of Marie Scott a World War II veteran who shines light on how many women served our country during the war. During Lesson two we considered, 'Who we would like to remember and made written dedications to those who have inspired us and those who served in the war from our own family histories.

We then held a service on our remembrance yard between the poppies and our wooden cross. Student representatives from each year group gathered with staff, and prayers we prayed for those who have lost their lives in service, those who have suffered through injury and trauma and for those who have lost loved ones in conflict and war. Mr. Preston (Head of School), and Mrs. Hayes (Deputy Head), laid wreaths as our students held lights of hope for the future. The Last Post was played across the school, and a two-minute silence was held. Each year remembrance becomes increasingly significant as our world can feel unsettled and unstable, but we have a great hope in Christ Jesus summed up by our scripture reading;

Praise be to the God and Father of our Lord Jesus Christ! In his great mercy he has given us new birth into a living hope through the resurrection of Jesus Christ from the dead, and into an inheritance that can never perish, spoil or fade. This inheritance is kept in heaven for you, who through faith are shielded by God's power until the coming of the salvation that is ready to be revealed in the last time. 1 Peter 1 Verses 3-5.

Prayer

Father God may our gift to those who have served, be to remember them.
May we hold on to your promise of life with you in heaven as we look to you daily,
Lord our hope, Lord our light and salvation,
Amen.

Weekly Prayer

Our Father, Who art in Heaven, hallowed be Thy name; Thy kingdom come; Thy will be done on earth as it is in Heaven. Give us this day our daily bread; and forgive us our trespasses, as we forgive those who trespass against us; and lead us not into temptation, but deliver us from evil, Amen.

Culture Day – Celebrating Cultural Diversity

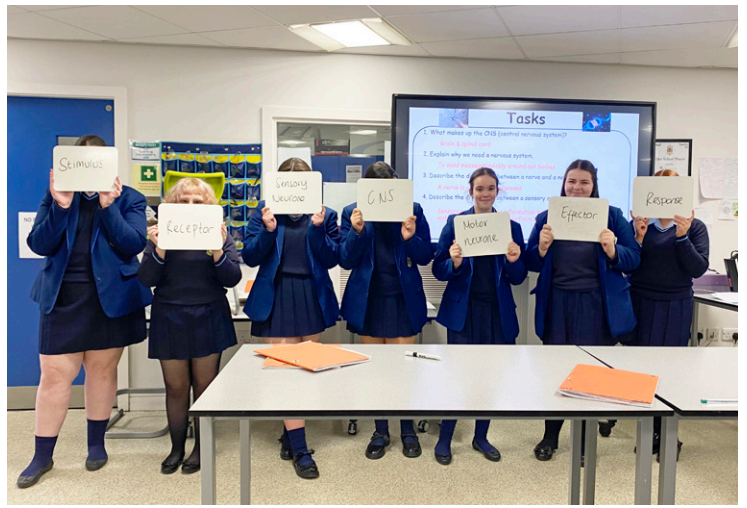

This week saw our Year 7 pupils have the opportunity to taste foods from the different cultures within the school community. The week started with a trip to the shops where pupils from Year's 9 and 11 bought the ingredients to prepare and cook food and snacks from a range of countries including Nigeria, Sri Lanka, the Philippines, Italy and the Ivory Coast. With prepping taking place after straight after school, pupils washed, chopped and prepped the food ready for an early start to cooking on Culture Day.

On the day, one of the Food Tech rooms was soon filled with the aroma of different spices as the pupils got busy making food for the Year 7's to sample. The pots and pans were full of delights as the race was on to be ready for the first group of pupils after break. Visiting the event in groups, the Year 7's sampled foods like jollof rice, chicken drumsticks, gyozas, lumpia, scones and tuna cutlets. Kurdish biryani, plantain and red pepper dip, falafels, basbousa and tiramisu were also enjoyed by the pupils and staff.

With flags and music and cultural dress the day was a true celebration of the cultural diversity across school and an opportunity for pupils to share with the Year 7's their traditions and culture.

A huge thank you to our pupils who shopped, chopped, prepped and cooked as well as those who helped to serve and talk about their food and culture...you were amazing!! A big thank you too to the parents and grandmother who helped with the cooking and Miss MacCormack for ensuring the event ran so smoothly.

Year 11 Biology

This week in Biology the year 11 pupils have been learning about the human nervous system as part of the Homeostasis unit. Both groups 7 and 8 enjoyed the challenge of having to work as a group to apply their knowledge to different examples.

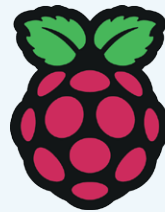

Action Tutoring

Well done to all pupils who attended the launch of Action Tutoring in Year 11. This week we started with a baseline assessment for English or Maths and next week the group will be assigned to their tutors who will tailor the sessions to their areas of need.

Meet the Year 7 Parents Event

A huge well done to all Year 11 and families who contributed to our Zoe's Place collection. We raised an incredible £1024 which we hope makes a real difference to a charity that is very close to our hearts and to our local community.

UNIVERSITY OF OXFORD

Bebras Challenge 2024

This week all students in key stage 3 have been taking part in a national competition run by the Raspberry Pi foundation and Oxford University.

The top 50% (nationally) in each age group will be invited to take part in the UK Bebras Coding Challenge later this academic year. The event is for students aged 10-19 who excelled in this year's UK Bebras Challenge.

As soon as we get the results, we will let you know!
Good luck!

Merseyside Fire and Rescue Visit

The students in Broughton Hall's new Animal Care BTEC class were delighted to welcome Fire officer Niamh Darcy from Merseyside Fire and rescue services.

Niamh gave the class a talk on handling and caring for the dogs and gave us a live demonstration of just what they are capable of!

We hope to welcome more animal visitors soon!

Anti-Bullying Week 2024

This week we have been proud to support Anti-Bullying Week 2024. It is coordinated by the Anti-Bullying Alliance and our Pupil Mental Health Ambassadors have helped to raise awareness and funds selling symbolic blue ribbons.

This Anti-Bullying Week let's 'Choose Respect' and bring an end to bullying which negatively impacts millions of young lives. We support the anti bullying alliance to empower children and young people to not resort to bullying, even when we disagree and remind adults to lead by example, online and offline. Imagine a world where respect and kindness thrives – it's not just a dream, it's in the choices we make. Join us this Anti-Bullying Week and commit to 'Choose Respect'.

At Broughton Hall Catholic High School you can report bullying or anything pupils are worried about you can use the 'report bullying' tab under the parents section of the school website.

There are people who care and can help if pupils are struggling with a bullying-related issue – see form tutors, year managers or any member of staff that you feel comfortable speaking to. The school's Anti-Bullying Policy can be found under the policies tab on the information section of the school website.

The Anti-Bullying Alliance's website is full of free tools & information. This includes resources exploring what bullying is, tools for preventing and responding to it, and guidance on where to find advice and support.
