Inspirational Women in Science & Business

My role on Wednesday in relation to the Y11 Knowledge Quarter Visit, was simply as Mini-Bus driver, accompanying Mrs. Pavey (Biology Teacher), and Mr. Hesketh (Business Studies Teacher). School trips of this nature can sometimes be quite mechanical and routine with students taking away: information packs, some useful contacts and a free pen. This visit was very different and deserves to be acknowledged, so here is what I found. We had been invited to the Knowledge Quarter by a former pupil at Broughton Hall. Ellie Muscat is now a leading professional at Sciontec Developments Ltd.

This event was designed to inspire female pupils in the area of science and business and it succeeded in a variety of ways. The three hosts / business partners were all successful and aspiring young women sharing their educational journeys, working experiences and employment advice with our pupils.

Our students were challenged with a business design task and they were fully engaged, putting together a series of excellent presentations. The icing on the cake was that Mrs. Pavey our Biology teacher had formerly taught Ellie here at Broughton Hall. This was the basis of a bespoke and meaningful experience for our pupils. The evident appreciation Ellie showed towards Mrs. Pavey was a Joy to witness. There was a strong sense of our former pupil wanting to give back, and to inspire our current year 11 pupils.

We visited other parts of the Knowledge quarter and once again our students engaged 100%. Mr. Hesketh was able to relate afternoon activities directly to pupil's current studies, complimenting the overall experience. We are very grateful to the team at Sciontec developments for providing such an Inspirational day for our pupils.

Information Evening 2024

Weekly Prayer

Our Father, Who art in Heaven,
hallowed be Thy name; Thy kingdom
come; Thy will be done on earth as it
is in Heaven. Give us this day our daily
bread; and forgive us our trespasses,
as we forgive those who trespass
against us; and lead us not into
temptation, but deliver us from evil,
Amen.

Santa Dash

A group of Broughton Hall staff are running the Santa Dash and Aintree half marathon in aid of Zoe's Place. In a recent update, Zoe's Place's have raised the required amount to fund the new building but still require fundraising for ongoing operations.

Dear parents and carers,

We need your help, please!

At Broughton Hall Catholic High School, we firmly believe in the importance of regular attendance throughout the academic year for the success and fulfilment of every child.

What YOU must do:

1. Early communication: Try to telephone the school before 8.30am each day your child is absent.
2. Medical appointments: Book appointments where possible for after 9.00am/12.20am, will help ensure she receives her AM and PM attendance mark BEFORE going to the appointment. An appointment card/copy of the letter should be provided to the school on the day of the appointment.
3. Attendance uncertainty: If you're unsure if your child is well enough to attend school, send them to school as they often feel better upon arrival.
4. Transport contingency: Have a backup plan in case your child misses transport; consider involving a family member, neighbour or friend.
5. Communication about difficulties: If you and your child are facing challenges with school attendance, initiate a conversation with us. We are here to help!

What WE will do:

1. Daily attendance check: Monitor your child's attendance daily.
2. Communication: Call home to discuss your child's attendance with you.
3. Attendance meetings: Invite you to attend school for attendance meetings if we have concerns.
4. Welfare home visit: If we cannot establish a reason for absence, we may conduct a welfare home visit to ensure the wellbeing of your child.

Remember, open communication is key, and we are here to support you and your child in achieving consistent and positive attendance. If you have any questions or concerns, please feel free to reach out to your child's class form tutor in the first instance.

Year 11 Knowledge Quarter Visit

This week some of our Year 11 students had the opportunity to visit a variety of businesses in the Knowledge Quarter. The students had the opportunity to meet a business that invests money into local entrepreneurs to help start up their businesses. Also they visited the Liverpool Tropical of Medicine and watched some snake venom extraction! The students were given insights in the careers available at the Knowledge Quarter.

All students behaved exceptional and were a credit to the school.

Year 10 Work Experience

The deadline has now passed for both the selection form and self placement forms.

If parents or carers haven't completed the selection form can they ensure they do this as soon as possible as it will be restricting the places that their daughter can attend and the opportunities for them.

Any question please contact myself on hesketht@broughtonhall.com

YPAS Parent/Carer Drop-in

YPAS' next Parents & Carers Chat 'n' Chill Drop-in will be next Wednesday, the 27th of November 10-12pm at YPAS Central. 36, Bolton St. L3 5LX. Please see the information below:

The theme for the November group is Self-care & Achievements/progress with our child/ren.

We will be thinking about what we do to take care of/enjoy ourselves, and how to manage time for ourselves as well as being a parent. Considering the importance of parental mental health to be able to support and nurture our children the best way. It will be a perfect time to celebrate achievements and progress with our children and the recognition of parent's work and all of the things that parents do for their child/ren.

These are events that parents/carers can just turn up to, but if they want to find out any further information they can contact YPAS directly and ask for someone from the parenting team.

Visit from Spanish students

This week, we were delighted to host a group of students from Durango, Bilbao, Spain, for an exciting exchange visit. Our girls had a fantastic time-sharing experience, attending lessons together, and forging new friendships.

It was a wonderful opportunity for cultural exchange, where students could immerse themselves in each other's traditions, learn about different perspectives, and practice their language skills in a real-world setting. The visit was a truly enriching experience for everyone involved!

Auditions

Monday 16th December

Dance Drama 3.15pm - 4.30pm

Year 11 Student Spotlight

Hopes for this year:

To do well in my Maths mock so that I can be entered for the Higher maths paper

Hopes for next year:

My favourite subject is PE so something related to that and I would like to return to BH 6th form

Christmas Art Club!

Numbers are limited so please sign up with
Mrs Ryder before or after school.
