Flame 2025

On Saturday 15th May the RE & Chaplaincy Team attended Flame 2025 in OVO Arena Wembley. The day was jam packed with singing, dancing liturgy, prayer and celebration of Jesus Christ. Bear Grylls - British adventurer, writer, television presenter and former SAS trooper was one of the special guests.

Bear was interviewed about his life and Faith. It was really interesting to hear him talk, not so much about his big survival adventures but about the peace and assurance his relationship with Jesus gives him. He said that as a child he thought God was great and a huge positive in his life, but as he got older: all he heard in Church was how angry God was with people. Thankfully as an adult he discovered that his younger self was right, and that God loves us unconditionally. He has now written a book about Jesus' life, called : The Greatest Story Ever Told. The book gets to the heart of Christ's compassion love and sacrifice for humanity in a novel like style.

Lord thankyou that you love us unconditionally and through Jesus you have shown this Love. As we approach Easter remind once again of your great love for us all, Amen.

Weekly Prayer

Come, Holy Spirit

Come, Holy Spirit, fill the hearts of your faithful.
And kindle in them the fire of your love.
Send forth your Spirit and they shall be created.
And you will renew the face of the earth.
Let us pray
O God, who by the light of the Holy Spirit,
did instruct the hearts of your faithful,
grant that by that same Holy Spirit,
we may be truly wise, and ever rejoice in your
consolation,
Through Christ our Lord.
Amen.

Continued – Flame 2025

On Saturday 15th March, a group of Broughton Hall girls from year 9 and 10 travelled to the OVO Arena via coach to attend Flame 2025, the largest Catholic youth gathering.

Whilst we were there we heard songs from Adenike Adewale, a finalist from The Voice, Lily-Jo, a singer songwriter from Manchester and special guest Bear Grylls who talked about his faith journey. We also all received a copy of his new book, The Greatest Story ever told. It was truly and unforgettable experience full of Hymns and life. We listened to people's journey to faith, and we sang, prayed, danced and took time out to reflect.

We were spoken to by many Charities such as CAFOD who was represented by Brian Nyerere! We also heard talks from one of the founding members from Hallow the #1 prayer app and Isaac Harvey MBE who is a disability advocate, content creator and model.

It was a privilege to be invited and even more to go! We are unstoppable! – Lily H (Year 9)

Therapy dogs Nationwide

Broughton Hall's Animal care students were delighted to welcome Kathie and Jake from Therapy dogs Nationwide. The organisation is a national charity where visiting volunteers take their own dogs into establishments.

The class were delighted to say hello to Jake and hear what his role is and how many different places he visits. We look forward to welcoming them both again soon!

SEND Intervention Spotlight

Social Skills

This is a new intervention that aims to work with small groups of students who need support developing skills towards their internal processing. This means that students have opportunities to support memory, attention, and perception. Therefore, enabling students to develop skills such as thinking, problem solving and reasoning. These processes form the basis of our actions, decisions and feelings.

This intervention is twofold as we cover social communication skills throughout practical experiences. This then enables group conversations to be opened to show value.

The five sessions cover the following:

- Identifying emotions
- Self-confidence
- Growth mindset
