The first GCSE examination is on Tuesday 7th May. Year 11 students must remember to bring the correct equipment to their exams and follow the expectations of exam conditions at all times. Good luck to all of Year 11!

Year 11 GCSE Exams

Exam prayers were said this morning by our Chaplain at Year 11 assembly. Year 11 begin their GCSE exams in the next few days and our students were reassured that prayers will be said for them throughout the exam period. They have worked incredibly hard and all staff wish them the very best over this season. In St. Paul's letter to the Philippians, he wrote: "And I am certain that God, who began the good work within you, will continue his work until it is finally finished on the day when Christ Jesus returns."

Five years ago our students embarked on their own work here at Broughton Hall and we echo St Paul's hope that a good work which has begun, will be blessed and complete in season. Wishing all the very best to our year 11's as they undertake their exams.

Prayer

Dear Lord Jesus, as our students begin their exams, bring your peace to their hearts. Holy Spirit: help them to understand all the tasks that they need to undertake. Help them to recall all their studies clearly and give them confidence in their abilities. May they know that we want the very best for them and that we are proud of all their efforts. Father God be with them all, now and evermore, Amen.

God Bless – BHCHS Chaplaincy Team

YEAR 11 PROM

This week the Year 11 prom 2024 was announced! The event is to be held on Friday 21st June and students must send their attendance slips and deposits in by Friday 17th May. This will be a fantastic opportunity to celebrate the Year 11 students' hard work after completing their GCSE examinations. Invitations will be handed out prior to the event depending on student's attendance and attitude towards their learning. A letter with full information has been sent out via Edulink to all parents/ guardians of Year 11 students.

Weekly Prayer

Dear God,

May our hearts be filled with Peace and Love Each day, help us to learn. Remind us, 'Mercy is your way', Compassion for the world. You have shown us how to live, One heart, one mind, together. For Christ, His hands and feet we'll be. Your servants Lord Forever. Amen.

Leap Dance Festival

As part of International Dance Day, 7 students from Key Stage 3 took part and represented Broughton Hall at Leap Dance Festival. The event took place at Archbishop Blanch High School where there were over 15 schools performing from all over the Merseyside area.

The dance students from Broughton Hall were fantastic in their performance and danced a routine from the musical Moulin Rouge. It was an incredible experience and all 7 students showed excellent mercy values and made Broughton proud.

Alder Hey

107 of our Year 8 students attended the Alder Hey Careers Day on Friday 26th April! The students had the opportunity to visit over 40 stalls. Each stall has a variety of professionals, informing the students of the careers available at Alder Hey. All students behaved brilliantly and the staff at Alder Hey were very complimentary about how well-behaved the students were.

Big well done to all the students involved.

SPORT QUALIFICATIONS

Congratulations to Evie M Year 11 for her completion and qualification of her Level 1 Paddlesport Instructor; as well as her Paddle Board Safety and Rescue award with British Canoeing. Evie competes in Canoe Polo for Great Britain and has had opportunities travelling with her team to compete. National Governing Bodies offer qualifications for pupils in a range of sports and is an excellent qualification to have for those who have an interest in sports coaching/specific sports. If you have an interest in becoming qualified to coach or umpire in a sport, speak to your PE teacher or take a look at some of the links below:

River Alyn Visit

In preparation for our GCSE exams, Year 11 geography students visited the lovely River Alyn. We visited three sites to investigate how rivers change as they travel downstream. Students got to see in the real-world, all the things they had learnt in class. We started the trip in the upper course and headed further downstream, measuring the width, depth, velocity, bed-load shape and bed-load size collecting primary data. Many of the students took the opportunity to go in the river, with a pair of wellies of course, to learn new geographical fieldwork skills to complete their own investigations.

This trip was great fun, and also crucial to our GCSEs as it will feature in the Geography paper three exam. This trip was an exciting new experience for us and allowed us to develop a greater understanding of rivers and their features, whilst also bringing to life our learning in the classroom. A number of students even said they enjoyed it so much they would like to come back again soon with family.
