Confirmation

On Monday 20th May, Broughton hall students from years 8, 9 & 10 had their Confirmation service at St. Margaret Mary's Church. Confirmations for young people from across the deanery were held together at the same service. The service was very special, with a true sense of family and community.

School Chaplains from Broughton Hall and Cardinal Heenan took part in the service through prayers and readings and both felt very proud to see the students take such an important step in their faith journey. Likewise both school heads were also present to champion their students, as they were confirmed.

Students were nervous but were put at ease by Bishop Tom Neylon. At Confirmation students receive the Holy Spirit, who will empower them as they walk with God.

The Holy Spirit also strengthens each student's personal gifts, gifts that they can use to help serve in the Church family. We want to express our congratulations to all the students who were confirmed and to their families who gave so much support to them.

God Bless

CURRICULUM SHOWCASE

Celebrating Students in Media Studies

Year 11 have now completed their exams in GCSE Media Studies and we would like to wish them good luck for the rest of their GCSEs and we look forward to welcoming back some of the class to A level Media Studies and Film Studies in September. Year 13 have one more exam to complete after half term and we hope that the next exam is kind to them. Some of our students are going on to university to study Film/Television/ Radio production and we wish them and all our students success as they embark on the next stage of their education/career. You have all been a pleasure to teach and we will miss you.

Meanwhile our Year 12 A level classes have now started their Media coursework. Many students have picked the magazine brief and are making websites and magazine front covers, with a double page article on a variety of subjects such as travel, fashion, music and film. We have also got a number of students who are making promotional material for a new film of which they have to conceive a plot, narrative structure and genre before making DVD covers, posters and websites about their 'film'.

Productions are still in the early stages and we look forward to the outcomes later in the year, but here is a peek of one students DVD cover for a horror film called The Observers!

Don't feed the Plant!

Students from a range of year groups have been working hard creating and designing the set for the upcoming school play 'Extracts from Little Shop of Horrors'. Students so far have made a backdrop, a sign for Mr Mushnik's florist and a small Audrey II.

A big thank you goes to Miss Atherton for running the set design club and for helping out!
